"I had for several years a very troublesome humor in my fax, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost every thing a man

could of both advice and medicine, but without any relief whatever, until 1 took your SARSAPARILLA.

It immediately made my face worse, as you told me it might for a time, but in a few weeks the new

skin began to form under the blotches, and con

tinued until my face is as smooth as any body's, and I am without my symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SAESAPARILLA." Erysipeles - General Debility - Purify the Blood. From Dr. Robt. Sawin, Houston St., New York, "DE. A. CE. I seldom fail to remove Exaptions and Scrafulous Socies by the persevering use of your SAESAPARILLA, and I have just now cured an attack

of Malignant Ergsipelas with it. No alterative we possess equals the SABSAPARILLA you have sup-plied to the profession as well at to the people." From J. E. Johnston, Esq., Waleman, Ohio, "For twelve years, I had the jellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of collars worth of medicines. The u. rs were so bid that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your SARSAPARILLA. Took two bot-tles, and some of your PILLS. Scald Head, Sore Eyes. From Harrey Sickler, Esq., the able editor of the Two hannock Democrat, Pennsylvania "Our only child, bout three years of age, was attacked by pimples on his forenead. They rapidly spread until they formed a loathsome and visulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every shing else we had any hope from we began giving your SARSAPARILLA. and applying the inside of potash lotion, as you direct. The sore begon to heal when we had given the first bettle, and was wed when we had finished the second. The child's cyclashes, which had come

out, grew again, and ac is now as health and our as any oth r. The whole neighborhood predicted that the child must die." Syphilis and Mercurial Disease.
